

The Uniden E-mail Phone makes it easy to communicate with anyone – even your parents.

Now you no longer need an expensive computer

to send and receive e-mail. It can be used with

most any internet service provider. The Uniden

E-mail phone is also a powerful, 900MHz cord-

less speakerphone with smart features like a

built-in modem, a calendar, an electronic

address book and Caller ID, which makes it the

most complete communications device ever. For

more information, call 1-800-874-9317 today.

**“so then i said to the professor
‘who are you to grade me?!’”**

the uniden e-mail phone.
for things they need to know
but don't want to hear.

**send & receive
e-mail without a computer!**

©1997 Uniden America Corporation

*To activate the Caller ID feature, you must subscribe to this service through your local telephone company.
