## THE PRINCETON REVIEW MCAT?

Looks like the other guys are unhappy about the Princeton Review MCAT course.

# 8

pts. avg. increase

We're sorry if it seems hard to believe, but a national study just completed by IRC shows that our students improve their scores by an average of

## 8 points.

If any other test prep company would like to conduct an independent head-to-head study of score improvements, we would be *delighted*. And if you would like to improve your scores significantly, you should call us today.

## Study the Greatest Conflict of this Century in Normandy, France Summer II 1998

It is an honor and a privilege to participate in this program that studies the most powerful invasion in modern history when Texas A&M University's former President Col. James Earl Rudder scaled the cliffs of Normandy and began the liberation of France and ultimately the end of World War II. This program is designed to prepare students of today to be pioneers of a peaceful tomorrow.
