

## Sketch

### By Quatro

## "QUOTE OF THE DAY"

**This Week's Theme: What's your favorite movie and why?**

*"Leaving Las Vegas. Because it's depressing and incredibly real. Seriously, that's what I love about it."*

— Carol Jackson  
Sophomore English major

## Jump on!

Here's your chance to blast off with a company that's really going places.

You don't have to be an astronaut to experience taking off with the right company. If you want the chance to learn exciting, breakthrough technology, and to help launch a hot, new company, you'll want to check us out.

We currently have positions open for Applications Developers and Software Engineers. We are looking for bright, hard-working, ambitious people who enjoy a challenge, responsibility, and a fast-paced environment. In short, if you have the right stuff, we want to talk to you.
