Get ahead of the pack.

PLATINUM technology inc. is dedicated to helping IT organizations worldwide perform better. PLATINUM supplies software, consulting, support, and education to automate and manage data centers and support the critical areas of IT infrastructure: data, systems, and applications. Areas of IT management expertise include database and systems management, application development support, data warehousing, decision support, and year 2000 date conversion — with a special focus on often overlooked but crucial IT processes. *If you excel in areas where others are afraid to venture, you won't be alone among our staff of elite professionals.*

Discover a refreshingly informal and people-friendly environment. Take your dreams and turn them into reality with us. We're looking for perceptive, inventive, adventurous individuals with a vision of success. From day one, you'll be an integral and valued member of the PLATINUM team. We're offering stimulating work, empowered career choices and plenty of space to see your dream grow.

Where do you fit in?

Depending on your skills and interests,
you can explore exciting career opportunities
in the following areas in any one of our facilities
ACROSS THE COUNTRY:

- Software Product Development •
- Product Documentation •
- Education/Training • Accounting/Finance •
- Administrative • Business Development •
- Product Support • MIS • Sales •
- Marketing • International • Distribution •
- Quality Assurance • Technical Support •
- Consulting • Product Specialists •

We not only have exceptional benefits but we also offer tuition reimbursement, the freedom and flexibility to be your own leader, and a casual dress atmosphere.

We will be on campus
FEBRUARY 26th & 27th

If you are unable to meet with us, please submit your resume, indicating area of interest, in the following manner: For U.S. Mail/Fax please use 12 point font with minimal use of bullets, italics, underlining and bolding. For e-mail/Internet please use ASCII format.

"QUOTE OF THE DAY"

This Week's Theme: Should student leaders be paid or receive tuition waivers for their services?

"No, I think the opportunity is enough. I don't think you necessarily have to be paid for giving back to a school that's given so much to you."

— Craig Serold
Freshman computer engineering major

Titanic drowns out E.T. The Extra Terrestrial

LOS ANGELES (AP) — E.T., phone home: You've been bumped down to No. 3 on the all-time domestic box office list.

Titanic topped the North American box office for the 10th weekend in a row with \$21 million, according to industry estimates Sunday by Exhibitor Relations Co. Inc.

That gives the film a total of \$402.5 million, good enough to pass E.T. The Extra Terrestrial at \$399.8 million and move into the No. 2 spot.

James Cameron's epic, which has 14 Academy Award nominations, trails only Star Wars and its \$461 million at North American theaters since

it opened in 1977. That includes the gross from its re-release in a refurbished version last year.

"At its present rate it, it should top Star Wars before the Oscar awards (on March 23) and that would give it another boost," said Robert Bucksbaum, publisher of Reel Source, a weekly industry newsletter.

Another phenomenon at the theaters is the resurgence of the "date crowd" movie, Bucksbaum said, meaning romantic, nonviolent films with wide audience appeal.

That category included The Wedding Singer, which was No. 2 with

\$12.7 million. The comedy is also the romance between a singer played by Adam Sandler and a waitress played by Drew Barrymore.

Estimated grosses for the top movies at North American theaters for Friday through Sunday:

1. Titanic, \$21 million.
2. The Wedding Singer, \$12.7 million.
3. Sphere, \$7.3 million.
4. Good Will Hunting, \$6.4 million.
5. Senseless, \$5.5 million.
6. As Good As It Gets, \$4.5 million.
7. The Borrowers, \$4.3 million.
8. Palmetto, \$3 million.
9. The Apostle, \$2.4 million.
10. L.A. Confidential, \$2.3 million.
