

UTA faces Aggies in doubleheader

By KATIE M... Staff writer

The Texas A&M Softball team (11-8-1) will host the Texas-Arlington (2-9) in a doubleheader starting at 6 p.m. on Saturday.

The Aggies are coming off a tough weekend at Georgia Tech looking to turn around a losing streak. Texas A&M is in the NFCA Lead-off Circle and are looking to rebuild confidence in the two-game UTA. Ashley Lewis, a pitcher for the Aggies, thinks the Aggies will perform better against UTA than they did in last weekend's tournament.

"This weekend was a call for us to get back in the game because I think we were too far ahead," Lewis said. "We need to stay grounded in a two-game losing streak."

The Aggies are hitting an overall ERA of 1.00. Lewis said the Aggies have to execute better at the plate and get more runs on the board against UTA.

"This last weekend was bad," Lewis said. "We didn't get the hits; we didn't make the plays those games instead of teams beating us. We're better."

Lewis said she is not sure what the expectations she set for her team, but she played Saturday, and is confident tonight will be better. Her last match-up against UTA only two hits and seven batters overall. She has gone undefeated in six match-ups with UTA.

Texas A&M coach looking to play UTA. She said UTA is a tough team, and the Aggies play up to their potential.

"We struggled in our nament and it's important to play some games with confidence back." Evans need to be better at the hitting has been increased we need to be more aggressive.

Rachel Lewis, a freshman pitcher, is looking to hit that if the team plays level, UTA will not be a factor for Texas A&M.

"If we play like we can we'll win," Lewis said. "I want to get back to when we started competing."

Lewis said the team needs to make the little mistakes they did this last in the tournament. She team wants to be more consistent in their play.

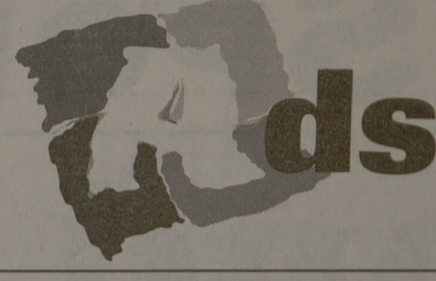

"We all need to bring our A game. Everyone is trying to hit the ball," she said. "I want to keep our defense tight but it's nothing we can't fix."

Individuals are needed to participate in research study investigating factors contributing to driving accidents. Participants will receive a number of paper-and-pencil administered tests. You will receive 2 hours of participation. Must be 18 or older, have good vision (normal or corrected), and a valid driver's license. This study is conducted by researchers in the Department of Texas A&M University. Interested, please call (409) 845-1111 to leave your name and phone number.
