"QUOTE OF THE DAY"

This Week's Theme: What is your funniest April Fool's Day story?

" My freshman year, two buddies of mine and I broke into these girls' dorm room and laid out Dixie cups full of water all across their floor, right up to the door (we snuck out the window). When they got home, they couldn't walk in without emptying out every Dixie cup one by one. At least that was the idea. We hadn't sprung the extra 50 cents for plastic cups, so the paper ones ended up leaking all over the floor.
