

If you start
interviews with
"What's up?"
this is for you.

Make college easier,
beat the system & get a very cool job.

Patrick Combs, author of *Major in Success*, is coming to campus to give you tips on how to get the job you actually want. Patrick really knows his stuff. This guy made 80 grand his first year out of college and at 28 years old is already living his dream of being an author and public speaker.

And as a special bonus, you'll receive a FREE copy of his

best-selling book*, *Major in Success*, just for attending his talk, compliments of Visa and Citibank. A free book, how often does that happen in college?

Patrick Combs is a dynamic, hilarious and inspiring speaker. This is one lecture you'll actually want to attend.
