10 YEAR ANNIVERSARY

Friday, November 20, 1998

Our business has enjoyed continued growth over the *past ten years*. We would like to take this opportunity to thank all of our customers, new and old, for your support.

One of the reasons we have been able to expand is because of Texas A&M University and its students. It has been a great experience growing to service the changing needs of Texas A&M. Many of you have visited our store to pick up your class notes. We appreciate your patience during our busy season and hope you received prompt service. We have always tried to stay aware of student's needs because when we opened **Copy Corner** 10 years ago we were students ourselves.

Copy Corner would also like to thank the entire Texas A&M University Faculty and Staff for their support. Copy Corner has enjoyed the past ten years and anticipates serving Texas A&M for many more years.

We will be awarding
