Hurd said he hopes to see more events like the party in the future.

"The MSC is the community center on campus. We're doing our part to experience other groups. We want to see more programs like this where people experience other cultures," he said.

Thomaz Styblinski, a junior computer science major from Poland, said he encourages American students to come to parties.

"All nationalities are welcome. We try to welcome every-

one from A&M, no matter where they are from. We want everyone to have fun and to propagate understanding in all the world. We are all citizens of the world, not a country," he said.

According to its mission statement, the ISA is a "student organization whose mission is to promote cultural exchange between and among international and U.S. students, to promote good relations among the students of all nations attending Texas A&M University and to provide opportunities to learn about ourselves and others through multicultural experiences." It seeks to represent the 2,700 international stu-

Used Cars to be sold for as low as \$99.00 and up.

Local Brazos county dealership is having a massive used car Price Reduction Sales Event this Monday, Labor Day Sept. 7th, Rain or Shine

Bryan, TX
Pat Summerall Imports has announced its plan to have a \$99 dollar used car price reduction sales event this Monday, Labor Day, Sept. 7, 1998.

We at Pat Summerall Imports have made a decision to liquidate out used vehicles to the public by means of a \$99 used cars price reduction. During this one-day event, every used vehicle will be sold for thousands below its original price!

All cars will be on display at 1309 Texas Ave., Bryan, TX. At 10:00 a.m. all vehicles will be opened so that buyers may inspect the vehicles. The retail price will be posted on the windshield of each vehicle. When the sale begins at 11:00 a.m., whoever is sitting in the vehicle when the event begins, will have the first chance to purchase the vehicle at the reduced price. Prices will be reduced one time to the rock bottom price, including some vehicles for only \$99 dollars. When the sale is completed for the day, Pat Summerall Imports will resume business as usual.

Bob Carter, General Manager of Pat Summerall Imports said that, "customers can expect the reduced prices to be very close to public auction pricing, without the auction fee." Due to the response of this event, Carter has agreed to have all trades, lease returns and auction purchases available for the sale. The price reduction approach to selling used vehicles is revolutionizing the way used vehicles are being sold and allows everybody to get a great deal on a used car or truck.

Pat Summerall Imports will have buyers on hand to take your trade-ins, as well as special finance and credit analysis to get you pre-qualified before the sale.

Disclaimer: Must be 18 years of age and have valid driver's license. TT&L extra on all sold units. W.A.C. #A123, #B123, #C123
