CENTRAL INTELLIGENCE AGENCY

STUDENT PROGRAMS SUMMER 1999

College sophomores and juniors are invited to apply for the CIA's Student Programs for Summer 1999. The programs are designed to give promising undergraduate and graduate students the opportunity to gain practical work experience to complement their academic studies. While earning competitive incomes, students will participate in meaningful work assignments commensurate with their academic training. Housing assistance is provided. Other work programs for students are also available.

**DESIRED MAJORS:** Electrical engineering, computer engineering, computer science, mathematics, economics, physics, remote sensing, languages, international studies, logistics/supply/procurement, business administration, geography, accounting, and finance.

**REQUIRED:** Must be a US citizen. A minimum GPA of at least 2.75 is required (3.0 preferred) following freshman year. Successful completion of a medical examination, a polygraph interview and an extensive background investigation.

**LOCATION:** Washington, DC/Northern Virginia area.

**TO APPLY:** Complete and return the Interest Form below along with a cover letter and your resume no later than the date specified below. Prompt response is required to ensure consideration for summer 1999 employment.
