

An AGGIE IS BORN!

Students of College Station have never lived like this. But when the doors of The Callaway House open in the Fall of 1999, they will.

The luxury, full-service residence community will offer the best of both worlds – the solitude of your own bedroom in a living-learning community environment. Located on George Bush Drive West, across from Kyle field, The Callaway House will offer a full slate of Residence Hall services with the privacy and amenities that come with an apartment.
