

WEEKEND PREVIEW

Tells you when your term paper is due.
(Now if you could only find the time to do it.)

The Palm III™ connected organizer keeps track of what's due and other important stuff, like your cute lab partner's phone number and Saturday's parties. Touch the HotSync® button to exchange and back up info with your PC (even download e-mail¹ you haven't read yet). About the only thing it can't do to make your life easier is write that paper. Organizers from Palm Computing start as low as \$299*. For an authorized Palm III retailer or campus computer store, call 1-800-242-9005 or visit www.palmcampus.com.
