Putting up the Numbers

Freshman Lisa Klam has put up impressive statistics in first collegiate softball season

BY BEN WESTBROOK
 The Battalion

The 1999 softball season is well on its way and this year the Aggies are following behind freshman, Lisa Klam, who is knocking out the opposing pitchers and clearing away the base paths for the 10-4 Aggies.

Klam came to A&M from Katy High School, a 5A school near Houston, where she helped lead her team to three playoff appearances while playing under former Aggie All-American Judy Trussell. It was there Klam made the all-state team three times and nabbed the prestigious 1998 Gatorade Circle of Champions Texas Softball Player of the Year award.

But Klam does not worry much about the awards or statistics. When asked about her nine-game hit streak to start the season Klam replied, "I try not to keep up with them, because sometimes they can really mess you up if you do."

For Klam, there are many impressive statistics to focus on. The freshman has a .367 batting average with 18 hits. She leads the team in home runs (1), Slugging Percentage (.551), RBIs (8), and total bases (27). She is in the top five in doubles, triples and batting average as well.

Despite her dominate performance, softball is not something that just came naturally for Klam. She said hard work and dedication is responsible for much of her success.

"I started playing when I was seven," she said. "My dad spent hours and hours outside teaching me how to just throw the ball right."

Head softball coach Jo Evans said she thinks all the time Klam spent practicing was worth it.

"She's probably one of the best athletes I've ever recruited," Evans said. "She's an impact player, and she is making an impact at the Division I level."

Klam says that she almost did not come to A&M. "I was so set on going to LSU, but then I came to A&M and I was just kind of like, 'This is my home,'" Klam said. "People here always smile at you, and they treat you like they've known you forever even though you just met them five minutes ago."

Klam said Evans has done her part in making the freshman feel at home. "I love her," Klam said. "She doesn't yell and scream at you like some coaches do. She has her own subtle ways of letting you know what she wants done."

Freshman second baseman **Lisa Klam** leads the team in slugging percentage, RBIs, and total bases. She has a batting average of .367 with 18 hits and is in the Aggies' top five in doubles, triples and batting average as well. Klam said she is looking forward to getting back on the field with the Aggies' 2-3 performance at this weekend's Aggie Invitational. "I think we're going to bounce back," she said. "Some weekend like this past one to get you back to reality and there's still some things that you got to get done." Klam said she now is looking toward as possible as the Olympic softball team. If past history is any indication, that has a good chance of coming true.

SUMMER JOB!

Applications are now being accepted for the **College Station Summer Day Camp**

Are you looking for a fun and exciting job this summer that is both challenging and rewarding? Are you a hard working individual that has experience working with children ages 5-12? If so, the College Station Summer Day Camp is now accepting applications until March 5. The Camp is 10 weeks long and offers a variety of games, art, and field trips. There are two all day camps ages (5-8) and (9-12) and a half-camp.

Applications may be picked up at 103 Timber Street #4.
 Any questions call 764-5430.
