Aggies close home schedule in style

No. 19 A&M Softball Team scores 11 runs in four-inning win over Sam Houston State

BY BEN WESTBROOK
The Battalion

Back-to-back home runs in the third inning by freshman Lisa Klam and sophomore Tiffany Esters highlighted the Texas A&M Softball Team's 11-2 romp over the Sam Houston State University Bearkats Wednesday.

The 19th-ranked Aggies moved to 36-13 on the year with the win, while Sam Houston State fell to 18-35.

The women made the last home game of the year something to remember for softball fans by pounding out 12 hits, three of them home runs, before the game was called in the fourth inning.

Junior team captain Jamie Smith provided the other home run for A&M, a solo shot in the second inning which started the Aggie scoring.

"We definitely took advantage of the wind," A&M coach Jo Evans said of the strong gusts blowing straight out to center. "I think the two [home runs by Smith and Klam] would've been out anyway, though."

Smith's home run opened the floodgates for the Aggie offense as the women

went on to score five more runs in the second inning.

But it was Klam and Ester's back-to-back homers that drove the nail in SHSU's coffin.

"I was just going for some good contact," Esters said of her fourth home run on the year. "Usually when a home run is hit in front of me, I'm just paranoid to make contact."

Klam, who handled third-base duties for the game, smashed an offering from Bearkats pitcher Mandy Mejia off the left-field scoreboard for her 11th home run of the year.

Esters and junior first baseman Angie Long also drove in two runs each in the second inning.

Sophomore pitcher Jordana Barrack picked up the win on the mound. The righthander managed to hold the Bearkats to just two runs while giving up seven hits and striking out two. Barrack's record moves to 12-2 on the year.

The Aggies will hit the road to resume Big 12 action this weekend against the University of Missouri Tigers and the University of Kansas Jayhawks.

fastest time of the season in the 4x400-meter relay and their second best time in the 4x100-meter relay. The women had their best performance of the year in the 4x100-meter relay two weeks ago.

Nelson said there is a

high level of competition at the Penn Relays because of the difficult in gaining entry into the meet. The Aggies are taking just 11 men and 10 women.

"It's a very prestigious event," Nelson said. "You have to be really good in your event to get in."

Nelson said the meet offers a bonus for the A&M track and field program because

DOUBLES

Continued from Page 9

Cass said playing motivated opponents is something the doubles tandem should get used to.

"They both want to be professionals," he said. "And to be a professional, that is a lesson that you must master — to be at the top and be able to fend people off. When you're No. 1, everybody wants to beat you."

We're making history!!
