**Three ways to beat the high cost of college.**

1. The Montgomery GI Bill
2. Student loan repayment
3. Part-time income

The Army Reserve Alternate Training Program is a smart way to pay for college.  
First, if you qualify, the Montgomery GI Bill can provide you with up to \$7,124 for current college expenses or approved vo/tech training.  
Second, if you have—or obtain—a qualified student loan not in default, you may get it paid off at the rate of 15% per year or \$500, whichever is greater, up to a maximum of \$10,000. Selected military skills can double that maximum.  
Third, you can earn part-time money in college, and here's how it works: One summer you take Basic Training, and the next summer you receive skill training at an Army school. You'll earn over \$1,500 for Basic and even more for skill training. Then you'll attend monthly meetings at an Army Reserve unit near your college, usually one weekend a month plus two weeks a year. You'll be paid over \$107 a weekend to start. It's worth thinking about. Give us a call:
