Collins said students need to be aware of the effects of alcohol so when a friend has been drinking they will be prepared if medical problems arise.

"Aggies must be responsible for themselves and others," Collins said. "We don't want Aggies to be a part of the crowd who buy their friends six shots in half an hour. There is a fine line between semi-consciousness and death."

## COTTON

of chemistry world-wide."

Lindsay Roy, a graduate student in inorganic chemistry, said it has been an honor and life-changing experience to be able to work with a professor as distinguished as Cotton.

"He will be remembered as one of the most significant scientists of the 20th century," Roy said, "I think he is absolutely remarkable."

Texas A&M President Dr. Ray M. Bowen, said he is pleased the University has this opportunity to show not only to the University, but to the world, the achievements of its outstanding professors such as Cotton.

## STUDENT

need to be better informed by the University to do if they have a friend in need or if they themselves.

"Right now students [at A&M] in trouble trying to talk to a stranger, they will talk to the she said.

"Friends need to tell other friends and parents friends have talked about suicide."

Dr. J. Malon Southerland vice president for affairs said the Student Counseling Service is quately equipped for situations like student

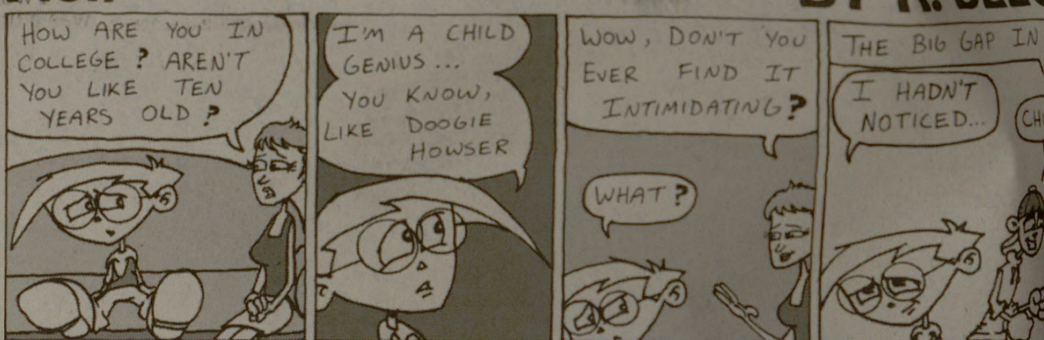

"We [at the SCS] have one full time psychologist have added a second this year," he said.
