

ENGINEERING STUDENTS

Have you considered the dynamic world of management consulting?

Management consulting provides the unique opportunity to leverage critical skills developed through engineering studies with opportunities to develop and apply essential management skills.

If the prospect of broadening your current base of engineering training with experience in management decision-making interests you, then management consulting may be a career you should consider.

McKinsey & Company, Inc.

The leading international management consulting firm seeks December 1999, May 2000, and August 2000 graduates with excellent academic credentials (GPA >3.5) and strong leadership skills for its 2-3 year
