Aggies swept by fifth-ranked Bears

BY DOUG SHILLING
The Battalion

Entering this weekend's series against the fifth-ranked Baylor University Bears, the Texas A&M baseball team knew it was up against steeper competition than it has been facing. The Aggies did not know how steep the competition was, however.

The Bears defeated A&M 6-4 Sunday to complete the three-game sweep of the Aggies.

It was the first sweep in a conference series of the Aggies since 1996 against Rice University, when A&M was still in the Southwest Conference.

For Baylor, it was their first sweep of A&M since 1991.

"It was a tough weekend," A&M baseball coach Mark Johnson said. "When you get swept it's always tough. We haven't been swept very often. You certainly have to give Baylor credit. I thought they played very well."

"We made some errors and didn't hit in key situations. I thought their hits were legitimate in most cases. They went the other way when they had to and certainly they pitched well."

As it had in the rest of the series, Baylor jumped on the Aggies first in Sunday's game.

Baylor designated hitter Ross Bennett stroked a two-run single in the bottom of the second inning to give the Bears a 2-0 lead.

A&M had an answer though, as sophomore shortstop Ryan Wardinsky launched a three-run home run over

GUY ROGERS/The Battalion

A&M sophomore Ryan Wardinsky applies the tag to Baylor University shortstop Jace Brewer during Friday night's game at Olsen Field. Baylor swept the Aggies for the first time since the 1991 season.

the left center field wall to give the Aggies a 3-2 lead, its first of the series.

The lead was short-lived however as Baylor came back with one run in the bottom of the fifth to tie the score up at three.

A&M had a golden opportunity to break the game open in the sixth inning when junior right fielder Daylan Holt led off with a double and sopho-

more left fielder Carlos Sepulveda followed with a single to give A&M runners on the corners with no one out.

A&M did not capitalize however, as they left the runners stranded.

With the momentum in their corner, Baylor seized the moment in the bottom of the sixth as Bennett once again had a two-run single to put the Bears up 5-3 and give them the lead for good.

Wardinsky said the Aggies problems were due to the lack of performing in clutch situations.

"We didn't play good baseball the critical situations," Wardinsky said. "You have to give Baylor credit because they came out and made plays in the big parts of the game. We had the momentum, then they got it back on their side."
