Senior All-American **Danielle Guarneri** competes in the women's three-meter 2000 NCAA Zone D Diving Championships.

Women's swim team fares well at NCAA's Guarneri named All-American for 4th time

BY REECE FLOOD The Battalion

Instead of spending their Spring Break sunning on the beach or skiing down the slopes, five Aggies from the Texas A&M women's swimming team headed to Indianapolis, Ind., to compete at 2000 NCAA Division I Women's Swimming and Diving Championships last Thursday, Friday and Saturday.

Senior Danielle Guarneri had a strong performance for the Aggies, finishing in fourth place in the platform competition on the last day of the three day event. After scoring 467.00 points, just five out of second place, Guarneri became Texas A&M diving's first four-time All-American.

Just the day before, Guarneri took 12th place with a score of 466.90 in the three-meter diving event. Sophomore teammate Meghan Zack finished in 16th

place with a score of 460.90 in the same event.

On the swimming side, sophomore Kelly Bolton swam to a 14th-place finish in the 100-meter freestyle on the final day of the championships. Bolton's time of 55.67 earned her honorable mention All-American Status.

Bolton also earned a 29th-place showing in the 50-meter freestyle with a time of 25.88 on the first day of the championships.

Also placing for the Aggies was senior Monica Williams, who swam the 200-meter individual medley in a time of 2:14.66 for a 32nd-place finish. Williams also finished in 20th place in the 200-meter freestyle with a time of 2:00.74.

Sophomore Clara Ho, who was not scheduled to compete during the opening day, stepped into competition on the on Friday and took 18th place in the 100-meter butterfly with a time of 1:01.28.

Buckeyes rally to defeat Aggies, 8-7

BY DOUG SHILLING The Battalion

The Texas A&M baseball team ended the second day of competition at the Texas A&M Continental Express Baseball Classic in third place after the Ohio State University Buckeyes posted an 8-7, come-from-behind win over the Aggies last night at Olsen Field.

The loss drops the Aggies' record to 13-14 on the year, and 1-3 in the tournament.

Ohio State improves to 12-4 and is tied for first in the tournament with a 3-1 record.

"It was a rough day," A&M baseball coach Mark Johnson said. "We didn't hit the ball well. It was a hard game to get started on. They weren't throwing a lot of strikes. They gave us a lot of opportunities to break the game open but we didn't get it done."

Ohio State lit up the scoreboard right off the bat, taking a 1-0 lead in the top of the first on a sacrifice fly by right fielder Jason Turner.

A&M answered back in the bottom of the inning, capitalizing on the wildness of Buckeyes starting pitcher Nate Smith.

Smith loaded the bases on walks to junior catcher Jason Gremminger and junior first baseman Jeff Freeman and by hitting freshman designated hitter Travis Wong.

Gremminger scored on an error by Ohio State third baseman John Mayor to even the score at one.

After the Buckeyes took a 2-1 lead in the top of the second inning, the Aggies once again used Smith's wildness to take the lead.

Smith walked the bases loaded, then allowed senior second baseman Sean Heaney to score when he unleashed a wild pitch to knot the game up at two.

The Aggies then took the lead on a sacrifice fly by Freeman for a 3-2 lead.

A&M padded its lead in the fourth inning when junior right fielder Daylan Holt smashed a two-run home run off the scoreboard for a 5-2 lead.

OSU answered right back the next inning, scoring three runs in the top of the

fifth, keyed by back-to-back home runs by second baseman Chad Ehrnsberger and Turner, to tie the game up at five.

The Aggies would not quit as they scored two runs in the bottom of the fifth to bounce back and once again take the lead, 7-5.

Sophomore right fielder Carlos Sepulveda scored on a bases-loaded walk to sophomore pinch hitter Greg Porter and sophomore shortstop Ryan Wardinsky crossed the plate on a ground out by junior pitcher/third baseman Chris

Russ to move ahead.

It was not meant to be for the Aggies however, as the Buckeyes scored two runs in the sixth and one in the seventh to take the game from the Aggies.

Johnson said the Aggies could never put any space between themselves and Ohio State.

"We took the lead and they came right back," Johnson said. "That happens when things aren't going good. You just can't get momentum and get over the hump."

Russ took the loss for the Aggies. Russ (0-2) pitched three innings in relief of sophomore pitcher Khalid Ballouhi and gave up three runs on four hits.

Buckeyes pitcher Cory Cox picked up the win for Ohio State. Cox (2-0) pitched three innings and allowed no runs and gave up only one hit.

A&M finishes the Continental Classic up Monday as they face the Oregon State University Beavers at 5 p.m. and the Buckeyes once again at 8 p.m. at Olsen Field.

Vote Yes! Rec Sports Fee Referendum March 29 & 30

How does a \$7 fee increase benefit TAMU students?  
Students will be voting Mar. 29 & 30 on whether to increase the Recreational Sports Fee. The Department of Recreational Sports and Student Government leaders have recommended a net \$7 increase. The increase will preserve what Aggies have now. Specifically, the Rec Center and Department of Recreational Sports programs will be maintained and operated in the same high quality and accessible manner that they are today. The Department will be able to replace old equipment and keep it in good working order. The Rec Center will continue to be open from early morning to late evening, and will be able to continue to offer the programs and services students have come to expect and enjoy. A vote of "yes" will ensure that future Aggies have the same opportunity to recreate, socialize and be exposed to a healthy lifestyle in well-maintained and beautiful surroundings.
