HISTORY OF THE ROCK

Hmm, a rock.

That's a neat trick!

Hmm, a rock.

A Cameraman Bob Production

In 100,000 BC, after years of research, Man discovers rock.

During the Middle (or Pre-Middle Ages), Man finds several uses for rock.

Today anthropologists diligently continue studying the elusive rock.

Nova Rangers **By Cael XII & Johnny Utah**

Strange, the primitive beings of this planet seem to lack a communication other than yelling.

Ask him if we can use their restroom.

chance to take on *The Barber of Seville*, we were extremely excited, and it was easily passed through our Program Advisory Committee with recommendations by all," Byrd said.
"OPAS stays on top of tours and shows planning to come to Texas. We have established a relationship with the New York City Opera National Company and it has been a great success in the past," Parrish said.
Parrish said because the theme for this season is "A Season without Boundaries," OPAS has tried to include productions that would appeal to a wide audience such as the A&M community.
"We wanted to give the notion of ex-
