

It's a simple calculation:
TIAA-CREF's low expenses mean more money working for you.

The equation is easy. Lower expenses in managing a fund can equal better performance.
 How much? Just take a look at the chart. Then call us. We'll send you a free, easy-to-use expense calculator so you can see for yourself that no matter what your investment, you'll benefit from low expenses. And CREF expenses range from just 0.29% to 0.37%.¹
 For more than 80 years, we've been committed to low expenses, superior customer service and strong performance.
 Add it all up and you'll find that selecting your retirement provider is an easy decision: TIAA-CREF.

THE IMPACT OF EXPENSES ON PERFORMANCE

Total accumulations after 20 years based on initial investment of \$50,000 and hypothetical annual returns of 11%.³

1. CREF is a variable annuity. Estimated annual expenses are adjusted quarterly. 2. 1.40% is a very reasonable fee level for a typical fund; 0.40% is near, but not actually at the bottom of the mutual fund expense ratio spectrum. 3. The chart above is presented for illustrative purposes only and does not reflect actual performance or predict future results of any TIAA-CREF account, or reflect taxes. TIAA-CREF Individual and Institutional Services, Inc. distributes CREF certificates and interests in the TIAA Real Estate Account. Teachers Personal Investors Services, Inc. distributes the variable component of the personal annuities, mutual funds and tuition savings agreements. TIAA and TIAA-CREF Life Insurance Co. issue insurance and annuities. TIAA-CREF Trust Company, FSI provides trust services. Investment products are not FDIC insured, may lose value and are not bank guaranteed. For more complete information on our securities products, including charges and expenses, call 1 800 842-2776, ext. 5509, for the prospectuses. You know what else I hate about elections? How campaigners will do anything to get attention...

For instance, take this car that's been completely covered with that candidate's flyers.

You would think they'd be smart enough to leave the windshield uncovered.

AT THE EVANS/ANNEX WALKWAY

You know, this is such a beautiful campus. You know I almost don't want to preside over something so elegant.

It would be tough to be its worthy leader.

But when all hell breaks loose—just remember, it's never, ever as tough as the commons t-bone steaks.
