News in Brief

2 killed in shooting at senior apartments

LINCOLN PARK, Mich. (AP) — A man who had been summoned to a meeting at his senior-citizen apartment house because of complaints from neighbors about his vulgar language opened fire with a rifle Tuesday, killing two women, authorities said. A third woman was critically wounded.

The man was taken into custody in the middle of the afternoon, Fire Chief Ernie Moon said.

A man was seen being taken out of the building on a stretcher, but there was no immediate word if that was the suspect or another victim. The suspect's name was not

released, and no immediate charges were filed.

Police had spent several hours searching the 14-story building for the gunman after the noon shooting. Other tenants were told to stay in their apartments during the search of the high-rise, and youngsters on the playground of an elementary school nearby were hurried inside and kept there until parents arrived to pick them up.

Apartment officials had summoned the man to a meeting after other residents complained of inappropriate language, said Phyllis McLenon, deputy director of the Housing Commission in the suburb 10 mile or about 10 minutes, and then the building's maintenance man warned by radio that the man
