Fantasia 2000 Walt Disney Pictures Directed by Gaetan Brizzi

Fantasia 2000 is pure animation bliss. This joy of a film takes its audience into a dream world filled with excitement and adventure and accented by humor and clever story lines.

The movie, like Disney's 1940 Fantasia, is a medley of separate stories placed one after another, creating a solid movie with smooth transitions. Disney's creative team developed seven new animat-

ed tales for this artistic epic. However, the film's biggest highlight was "The Sorcerer's Apprentice," starring a magical and curious Mickey Mouse, from the original No words are spoken by any of the characters in the

film. Rather, the music of Beethoven and Gershwin and the sounds of brass, string and percussion serve as the Disney's concept of mixing imaginative visuals with

classical and jazz music was a brilliant innovation in filmmaking in 1940 and works again today. In one tale, Donald Duck stars in a unique rendition of the biblical story of Noah's Arc.

Another tale expresses the hues of the Northern Lights and the habits of imaginary flying whales.

One highlight of Disney's latest achievement is its ability to hold onto a smart story throughout the entire film. Each animated tale is independent of the next, but all are equally clever.

Directors of other cartoon movies, including the creators of Pokemon: The First Movie and Titan: A.E., often fail to create a strong storyline, and instead count on hightech animation to draw in audiences. Pretty pictures do not equal quality filmmaking if the movie has a weak

No other animated movie this year compares to the splendid art direction, amazing graphics and top-notch storytelling of Fantasia 2000.

The original Fantasia was a mere prelude to this modern-day masterpiece. (Grade A+).

Chicken Run Starring the voices of Mel Gibson, Julia Sawalha and Jane Horrocks

Chicken Run, a full-length film featuring a coop of claymation chickens and their Nazi-like farmer captors, is an excellent spoof of emotionally charged prison dramas

Rated G

Tweedy's Egg Farm takes on a concentration-cam environment for its chicken prisoners, and numer escapes led by ringleader Ginger (Sawalha) give the case tives their only hope to break free from the shackless prison life and into the greener grass of their dream However, the freedom-minded fowl are continu thwarted by the fence-patrolling Mr. Tweedy and h ferocious guard dogs. The escapes, particularly the tonel escape, are similar to classic prison-break films su as Stalag 17 and The Great Escape, right down to the underground system of improvised railways.

like Shawshank Redemption and The Great Escape.

This movie's strength is not its spoofs, but its men drama. This is taken to the extreme because the chicken are not turning out enough eggs to suffice the en money-driven Tweedys, and Mrs. Tweedy turns the farm into chicken pie headquarters by purchasing the chicken equivalent of a gas chamber.

Overcoming the evil Tweedys is the chickens' u mate mission as they fight against time before they m their fate as individually wrapped chicken pies.

Hope comes when Rocky Rooster (Gibson) flies in the coop and promises to teach the gullible hens how fly out of their fateful doom. Gibson plays his role as American hunk come to rescue the dapper English h to the hilt. Gibson and Sawalha play the lead roles, Babs (Horrocks) steals the show as the slapstick on relief character. Her "Three Stooges"-style antics play the melodrama to create a laugh-out-loud classic.

Chicken Run combines an ingenious storyline enough wit and humor to entertain audiences of all age

become a commercial filmmaker. Justitz said Headshots is four separate stories that tie together near the movie's end. All of the characters are intertwined and, through plot twists, influence one another.

The basic storyline explores the evil of the world and focuses on the consequences of living a life of trickery and sin. Headshots's main character, St. Peter, is a devilish creature who takes human form to toy with other humans. St. Peter ties the four stories together to help the film connect and flow.
