

ENGINEERING STUDENTS

Have you considered the dynamic world of management consulting?

Management consulting provides the unique opportunity to leverage critical skills developed through engineering studies with opportunities to develop and apply essential management skills.

If the prospect of broadening your current base of engineering training with experience in management decision-making interests you, then management consulting may be a career you should consider.

McKinsey & Company, Inc.

the leading international management consulting firm seeks December 2000, May 2001, and August 2001 graduates with excellent academic credentials (GPA >3.5) and strong leadership skills for its 2-3 year

BUSINESS ANALYST PROGRAM

Please join us on Thursday, September 28 from 8:00-9:30 p.m. in Koldus Room 111 to learn more about our Business Analyst Program.

Submit your resume to the Placement Center by 5:00 p.m. by Tuesday, October 3 if you would like to be considered for an interview.
