## Frogs hop up polls

FORT WORTH (AP)— Texas Christian, one of just seven defeated I-A teams in the country, has jumped to its highest ranking since 1998, only top-ranked Nebraska has a winning record than the Horned Frogs in a row.

TCU has a legitimate Heisman Trophy candidate in national and scoring leader LaDainian Tomlinson and one of the nation's overall defenses.

Yet, the Horned Frogs (5-4) there is a good chance they will on the outside looking into the all championship picture — they go undefeated as expected.

"I think deep in their hearts players want to believe that if they are able to continue to do well, that have a chance to reach all of goals," said TCU coach Dennis Franchione. "We know that might be possible; we understand that."

The Horned Frogs, playing their final season in the Western Athletic Conference before moving to Conference USA, know they could be year's Marshall or Tulane.

After going undefeated last season, Marshall ended up in the Motor Bowl. Two years ago, C-USA's Tulane's 11-0 season earned it the Liberty Bowl.

The First Bowl Championship standings do not come out until Oct. 23, two days after TCU's next game at Tulsa. That poll, which takes into account schedule strength among other factors, is the biggest determinant into which teams will be in the four bowl games the first of January.

"Nothing will surprise me, guys," said Tomlinson, who is averaging 195 yards per game and has 12 touchdowns. "In a way, I'd like to not allow us in just because we play in the WAC. Then again, we do, somebody realized that was a good team."

That the Horned Frogs are a team that has come a long way in seasons under Franchione.

that to the race, and I think he did at the Iona meet," Hartman said. "We have a big confidence builder in him. We have a very young team, all the guys have come along well."

Lee said the key to the Aggie success will be how they handle the egg from meet to meet.

"Our team runs well as a group, most of the race, we just need to get the group towards the front," Lee said. "Seventy high school cross country teams from across the state will attend the meet."

"We have a great opportunity to run in front of some of the best school runners in Texas, and it gives the high school runners a chance to see our course and our facilities," Hartman said. "The race can be a real bonus for the program. Running will begin at 9 a.m. at the Texas A&M Golf Course and continue until all 10 races are completed. A&M's women will run in the 5,000 meter race at 10 a.m., while men's team will begin its five-run at 10:20 a.m.
