LAXATIVE STUDY

Scimam Biomedical Research is currently conducting a research study of a prescription laxative to determine the lowest effective dose that could be sold without a prescription for the treatment of constipation. If you are 18 - 85 years of age and you currently use nonprescription laxatives to treat constipation, you may qualify for this research study. If you qualify, your participation will last up to four weeks and you will be compensated up to \$125.

For more information please call
