Rosa Parks Museum Opens in Montgomery

MONTGOMERY, Ala. (AP) — It was a cold evening 45 years ago Friday when a Montgomery city bus topped in front of the Empire Theatre. The driver, a white man, and Rosa Parks, a black seamstress, would have to give up her seat for white passengers.

PARKS

That event, which touched off the Montgomery bus boycott and began the modern civil rights movement, is recreated inside a new museum honoring Parks. The museum opens Friday on the site of the old theater. Parks, now 87, will be in Montgomery on Friday when Troy State University Montgomery dedicates the Rosa Parks Library and Museum. Joining Parks will be such civil

rights figures as Martin Luther King III, president of the Southern Christian Leadership Conference; former U.N. Ambassador Andrew Young; the Rev. Jesse Jackson; poet Maya Angelou; and actress Cecily Tyson. Inside the museum, visitors will get a chance to see and feel a little of what segregated Montgomery was like 45 years ago. The highlight of the museum is a bus that was used in Montgomery at the time of Parks' arrest. Looking in the bus windows, visitors will see a video that recreates the famous conversation between Parks and the driver. Community leaders angered over her arrest launched a boycott of Montgomery buses on Dec. 5, 1955. The protest lasted a year, lifted the Rev. Martin Luther King Jr. to national prominence and resulted in a Supreme Court ruling integrating public transportation.

Hemingway's son hospitalized after surgery problems

NEW YORK (AP) — Jack Hemingway, the Idaho conservationist and sometime writer who is the eldest son of novelist Ernest Hemingway, was hospitalized in critical condition Thursday following complications from heart surgery.

The 76-year-old, born John Hadley Nicanor Hemingway, was in "very critical condition" Thursday, said New York Weill-Cornell Medical Center spokeswoman Kathy Robinson. She said the family asked that no further information be released. He is the father of actress Mariel Hemingway, actress-model Margaux, who died of a drug overdose in 1996, and an older daughter, Muffet. His sister-in-law, Bee Pierce, told The Idaho Statesman on Wednesday that he fell ill while en route to Europe, underwent surgery but went into cardiac arrest when a suture burst. She said Hemingway was on life support and family members were deciding whether to discontinue the treatment.

"He was my hero."

— Jack Hemingway in reference to his father, Ernest Hemingway

As a teen-ager, he visited his father in Pamploma, Spain; Havana, and Key West, Fla., where the pair bonded by hunting, fishing and boxing together. The elder Hemingway committed suicide in Ketchum, Idaho, where he had a home, in 1961. "When he was with you, you were the total center of his attention. But when I left to go back to school, I was out of his mind," Hemingway told The New York Times in June 1999. "He was my hero." Hemingway, a big and stout man who resembled his famous father, recalled their relationship in his 1986 memoir, *The Misadventures of a Fly Fisherman: My Life With and Without Papa*. He also wrote at least three other books on fishing and penned the afterword for Hemingway on Fishing, a recently released compilation of his father's writings about the sport. A longtime Idaho resident, he served as a member of the state's fish and game commission and is known for his conservation efforts. "He gave of himself to preserve the things he loved," said former Idaho Gov. Cecil Andrus, who appointed him to the commission. He has spent part of his recent years, along with his two half brothers, overseeing licensing agreements of products bearing the Ernest Hemingway name. They include sports clothes and a collection of furniture, clocks and other accessories.
