Pearl Harbor Hits No. 1 with \$75.1 million

LOS ANGELES (AP) — *Pearl Harbor* won an easy victory at the box office, debuting as the No. 1 film with \$75.1 million over the four-day weekend.

The heavily hyped World War II epic fell short of setting individual box-office records, but it helped lift Hollywood to an apparent record-breaking weekend.

The overall box office was on target to beat the all-time high of \$183.7 million set last Memorial Day weekend, when *Mission: Impossible 2* debuted. The top 12 movies alone grossed \$176.6 million this weekend, up 3 percent from the same holiday weekend last year.

The final tally will not be available until Tuesday, when weekend grosses for all films are counted.

Pearl Harbor had the second-best Memorial Day opening ever, behind the \$90.2 million gross for *The Last World: Jurassic Park* in 1997.

Last week's top film, the computer-animated *Shrek*, slipped to No. 2 but had an impressive second weekend, grossing \$54.2 million, according to studio estimates Monday.

Shrek, featuring the voices of Mike Myers, Cameron Diaz and Eddie Murphy, has taken in \$110.7 million in just 10 days, passing *Chicken Run* as DreamWorks' top-grossing animated film.

The Mummy Returns took third place with \$19.1 million, pushing its total to \$170.7 million. The sequel passed the \$155 million taken in by *The Mummy* in 1999.

USS Missouri wired for 'virtual' tours

HONOLULU (AP) — The battleship that served as the stage for the end of World War II is getting a high-tech makeover intended to give veterans and visitors a virtual look at its heroic past.

The Battleship Missouri Memorial, one of Hawaii's most popular tourist attractions since it arrived in Pearl Harbor in 1998, stands as a poignant World War II bookend opposite the USS Arizona Memorial.

Nearly four years after its Dec. 7, 1941, attack on Pearl Harbor, Japan surrendered to the United States on the USS Missouri in Tokyo Bay. Today the "Mighty Mo" is moored a few hundred yards from the sunken Arizona, which lost 1,177 crew after the Pearl Harbor attack.

"The Missouri's bigger than all of us. Her story is so important," said Lee Collins, spokesman for the USS Missouri Memorial Association, the nonprofit group that runs the museum. "She's an international icon and she talks about the world's commitment to freedom."

But unlike the accessible Arizona memorial, the Missouri, with its steep steps and cramped walkways, is a challenging tour for many — including World War II veterans in their 70s or older. The solution will be to offer "virtual" tours of the floating museum, accessible both from the main deck and classrooms around the world.
