

LARA CROFT

are a Tomb Raider fan, you can accessorize. The Tomb Raider Website offers four styles of T-shirts, including a millennium edition, and a classic pose of Lara Croft leaping from the darkness, guns blazing. Or you could be on time and in fashion with your own Tomb Raider sport watch.

You might look into your own Tomb Raider toy if you want to create some adventures of your own. Angelina Jolie is already the model for eleven different action figures. Jolie, however, expressed her disappointment in the chest size of the figures in this month's Rolling Stone.

"My breasts are big enough," Jolie said. "Why are they enhanced that much bigger?"

TOMB

Oscar-winning actress Jolie plays Lara Croft, tomb raider and photojournalist. Jolie brings her own flair and dynamic personality to the role of the Tomb Raider, which may disappoint die-hard fans of the phenomenally popular video game. Fans of the comic will find their favorite characters have been replaced, save Chase Carver, who appears to be

going under the name of Alex West, played by Craig. Regardless, the pace, plotline and action are everything fans have come to expect from Lara Croft.

The storyline is unique enough to keep viewers guessing, but has the predictability of a pulp movie. The movie even includes an obligatory shower scene with Jolie, a comic book staple, which is balanced by a similar scene with Craig.

Do not expect any major drama or

character development, but the action is fast paced and the stunts, most performed by Jolie herself, are well executed, with creative touches that make even cynical moviegoers sit up and take notice. The computer animation is smooth and cutting edge without distracting from the film.

All in all, if movies are supposed to be fun, Tomb Raider is it. (Grade: A-)
