Ags take week off before OSU

The Texas A&M football team will take on the Oklahoma State Cowboys next Saturday at Kyle Field. Kickoff is set for 11:30 p.m.

The Aggies are coming off a 28-20 victory over the Wyoming Cowboys last Thursday night in Laramie, Wyo.

Farris to the skies

The Texas A&M offense has found continued success behind the arm of junior quarterback Mark Farris, who lit up the Wyoming secondary Thursday and racked up 341 yards.

Farris completed 30 of 42 passes, good for a 72 percent passing efficiency. The 341 yards was his career high, beating his old mark against Baylor of 311 yards, set during the 2000 season.

The Farris-lead Aggie offense attacked the Wyoming defense, amassing 507 yards and bringing up the team's average to 440.4 yards per game — good for second place in the Big 12, behind Colorado.

Farris' 297.5 yards per game average also is good for second in the conference, behind Texas Tech's Kliff Kingsbury.

Solid Sammy

Junior quarterback Sammy Davis picked off another pass against Wyoming, giving him three for the season. The Humble native intercepted two passes in the Aggies' opener against McNeese State. His three interceptions tie him for the lead in the Big 12.

Colorado senior strong safety Michael Lewis also has three picks on the young season, but the Buffaloes have played three games to the A&M squad's two.

Davis was a pre-season All-American for the Aggie defense.

SPORTS IN BRIEF

Aggie weekend games postponed

Friday's soccer game between No. 10 Texas A&M and unranked New Mexico has been postponed because of Tuesday's tragedy in the northeast.

A&M soccer coach Guerrieri said New Mexico scheduled to travel to Oklahoma State by plane on Thursday, and now that all flights have been grounded, New Mexico decided to postpone the game.

This comes after the Aggies forced the Aggies to postpone their first two games of the season against Samford and North Carolina and to postpone last weekend's games against Stanford and California.

A&M is looking for a replacement from Texas to replace Mexico. TCU has also declined.

Sunday's exhibition game with the Mexican National Team may be postponed as well.

Cowboys' Carter injures thumb

IRVING (AP) — Dallas Cowboys quarterback Quincy Carter injured his thumb on his throwing arm during practice Wednesday when he banged it against a teammate's helmet while trying to throw a pass.

X-rays were negative and the team was calling it a sprain. He's listed as day-to-day and will be re-evaluated Thursday.

Cowboys coach Dave Campo said Carter had a 50 percent chance of playing Sunday against Detroit, presuming the NFL allows games to be played this weekend.

Baseball remains on hold after terrorist actions

HOUSTON (AP) — Barry Bonds was hitting home runs at Enron Field Wednesday on a beautiful day for baseball.

But there was no game and the homers did not add to Bonds' season total of 63 in his pursuit of the major league home run record on a day when the talk was more of terrorism than of baseball.

"If you could pull off hijacking four planes in one day, I imagine you could bomb a stadium," said Astros first baseman Jeff Bagwell.

Instead of playing the second game of their scheduled three-game series, the San Francisco Giants and Houston Astros held workouts as baseball remained on hold by terrorist attacks on New York and Washington.

Bonds, who needs seven home runs to tie Mark McGwire's record 70 homers, hit several towering homers, including two beyond the upper deck in right-centerfield.

He declined to talk after the workout but Giants manager Dusty Baker recognized the threat of terrorism at sports venues especially with a marquee player like Bonds.

"There are always concerns, but you can't live your life in fear either," Baker said. "You have to live your life, and if someone wants to get you, they'll get you."

Baker does not like the idea of terrorism stopping baseball.

"You hate to have something like this," Baker said. "It's already stopped Wall Street, shut down the economy and put a little paranoia and fear in people."

"You hate to give them the satisfaction of shutting everything down."
