**Compilation CD
Mullets Rock!
Epic Records**

The Kentucky waterfall, the mud flap, the back-stage pass, the achy-breaky, business in the front and party in the back. These terms describe America's favorite bad hair cut: the mullet. Now hairstyle fans have the chance to celebrate the good ol' shorty longback with the new CD compilation *Mullets Rock!*

This two-disc set is full of headbanging hits from the 70s and 80s that will leave listeners aching for more. The high points of this collection are Foghat's "Slow Ride," Lynard Skynard's "Simple Man," Twisted Sister's "I Wanna Rock,"

Alice Cooper's "School's Out," and, of course, Quiet Riot's "Metal Health (Bang Your Head)." Rockin' tunes from bands such as Foghat, Journey, Stevie Ray Vaughan and Double Trouble, and Grand Funk Railroad make this CD a must-have selection for any rock 'n roll lover. Whether listeners sing along to Eddie Money's "Two Tickets to Paradise" or play air guitar to Deep Purple's "Smoke on the Water," *Mullets Rock!* is the essential music collection that is sure to fuel all guilty pleasures. The next time you're having a rough week and need relief, crank up *Mullets Rock!* to help you make it to Friday. After all, just like Loverboy said, everybody's "Working for the weekend."

**The Movieline
40 Hour Train Back to Penn
Drive-Thru Records**

Hailing from New York, The Movieline gives listeners their money's worth on their newest CD, "40 Hour Train Back to Penn." The quintet presents a tight sound that is cohesive with powerful vocals. The heart-felt lyrics read like melodramatic poetry, specifically on the opening line of "Jamestown," which says, "Focus, commitment and trust given to me; friendship forged through broken bones and tragedy."

One noticeable difference from their previous work is a transition from a lighter pop-punk sound to a heavier screaming style, which is reminiscent of label-mate Finch. Although you can easily listen

to the CD all the way through, the standout tracks are: "Face or kneecaps," "Spanaway," and "Kelly's Song." The two guitarists complement the lead singer's voice well without overshadowing him. The Movieline is one of the more promising Drive-Thru Records bands. An absence of catchy choruses is the only thing preventing them from receiving radio play.
