Boyd Tinsley
True Reflections
RCA Records

Boyd Tinsley, the highly recognized violinist for the Dave Matthews Band, has put together a solo album, "True Reflections." While Dave Matthews is featured on one track, the sound and feel of this record strays quite a bit from the traditional Dave Matthews Band style.

Tinsley's voice sounds very much like a smooth, slow talking Jimi Hendrix. His voice is nice and easy to listen to, though at times it seems overproduced.

The songs, as a whole, are also decent. Nothing on the album is insanely catchy or breathtaking, but nothing is horrible or badly done.

Most of the ballads such as "Long Time To Wait," "What A Time For Love" and "True Reflections," are delivered with a lot of sincerity and soul.

A surprising touch was a cover of Neil Young's "Cinnamon Girl," which is well done. The CD is armed with a new copyright protection that makes it difficult to copy and burn. When inserted into a computer, it will not play on a regular music player, but opens its own player and will not play otherwise.

Tinsley's album is not bad by any means, but most people probably would not garner any notice had he not been a member of the Dave Matthews Band. Huge fans of DMB might get a kick out of this CD, but non-fanatics might want to leave this one alone.

Tuesday's Anthem
Tuesday's Anthem
Independent

There should be a parade across campus every time a band from College Station releases a CD.

It's beautiful to know that things are happening here. Tuesday's Anthem's self-titled debut release should be celebrated because these guys are working hard. They have a long way to go, but have taken a step forward.

Of the seven songs on the CD, none of them live up to Tuesday's Anthem's full potential. With a sound resembling a reserved U2 or even Pearl Jam, Tuesday's Anthem has the potential to have a very powerful sound, but the delayed guitar and flying vocals seem stifled and apprehensive.

Most of the songs last for about five minutes, which for the most part is a little too long. The lyrics are poetic, but at times the meaning is difficult to decipher. One example is from the song titled "Dream."

"The water ripples in the night. Flowers blooming out of sight. Such a crime."

It's difficult to pick out the best songs because there might not be any. However, with a better recording studio, a better mix, a CD that doesn't change tempos and some work on their songs, Tuesday's Anthem may make a great CD someday.
