The Burden Brothers "Buried in Your Black Heart" **Kirtland Records**

With an assortment of 1990s rockers, including the lead singer from the Toad-

ies, one might wonder how original a band can sound. However, The Burden Brothers' debut album, "Buried In Your Black Heart," manages to mix its veteran rockers original sounds with an energetic twist.

The Dallas band is led by vocalist Vaden Lewis. formerly of the Toadies, who, along with drummer Taz Bentley of Reverend Horton Heat, started the band by posting music on the Internet and remain-

ing low-profile. "We wanted to put music out over the Internet for our fans to find," Bentley said.

The fans sure did find it, and two of its tracks are now all over the radio. The other members of the band are bassist Casey Orr of GWAR, guitarist Casey Hess of Doosu and guitarist Corey Rozzoni. It's no surprise these musicians have been doing this for a long time. Their strong, clean instrumentals and mature sound drive this album and redefine the mark these musicians will make on the music scene (and they will be making their mark on the College Station music scene this Saturday at Time Square).

The album begins with the album's namesake which opens with a pop-y guitar beat that is throughout the song. Lewis's strong voice to bellows over the chords, setting the pace for of the album. He croons, "Why do I fall for throughout the song, causing one to start the catchy lyrics along with him. The song ber slightly angry with, "I think I'm getting iller no ery time you come around."

The second radio release, "Shadow," includes lyrics about wanting to follow and watch over COMI one. Lewis said it was written for his daughter does not get to see often. Singing, "I am the share your side/ You know I got to find out? Just what made of," Lewis perfectly taps into what it's like see your child grow up.

Following is the album's debut track, "Be Night," which has gotten enough airplay and acce reviews to make it to the rock and alternative This catchy track about how all people experi same things begins slow and melodically, busin a full-blown rock 'n' roll track. A favorite of Bentley's to perform is "You God Damn Beautiful," which is basically a m

roll love ballad that any female rock 'n' roll fan dream of being serenaded with. The lyrics, I are unoriginal and predictable with "When yo me goodbye/You took my heart, tore it apa

Never losing its stride, The Burden B debut album resembles the Toadies, with mimicking them. By remaining high-energy heartfelt melodies, it's a good example of h cessful '90s musicians can transcend deca emerge with a mature sound.

GOURMET BURRITOS & TACOS. NOW ACCEPTING AGGIE BUCKS @ COLLEGE & UNIVERSITY

Come in on Wednesday, September 22nd show us your TAMU Student or Faculty ID and we'll give you a FREE BURRITO.

AGGIEL

THE BATTAL

To all the individuals, organizations, faculty, and staff who helped with the Residence Hall Move-In Assistance Day, the Department of Residence Life would like to say thank you and commend you for a job well done! We appreciate you taking time from your very busy schedules to help welcome our students and parents and help them move into the residence halls. Your assistance was tremendously appreciated. Thanks again for your hard work and effort. The Aggie Spirit is truly alive and well!
